

ALLIANCE FOR HEALTH PROMOTION

Connecting civil society for healthier populations

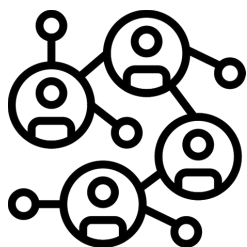

"Health Promotion is the process of enabling people to increase control over and to improve their health"

- Ottawa Charter 1986

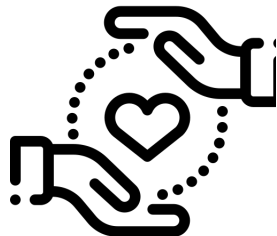

WHO WE ARE

The Alliance for Health Promotion was founded as an NGO Advisory Group to the World Health Organisation (WHO) in Jakarta at the 4th International Conference on Health Promotion in 1997. Over time, it has evolved into an International non-governmental organisation with a registered office in the State of Geneva, Switzerland, since 2008. The Alliance is in Official Relations with the WHO and is in Consultative Status with the Economic and Social Committee of the United Nations (ECOSOC).
