February
Submission of the potential project to the Government of Geneva

2021
March
Start of the project

2021
April 2021
How could you partner with us, how could you help?
**Added Value**

Bridging Gaps

- **Innovative**
  Our interactions are all online through collaborative platforms

- **Mentoring**
  Bringing together youth and experienced professionals

- **Health Promotion**
  From awareness to concrete proposals

- **International Network**
  Connecting awareness, information and ideas globally

- **Supporting teachers**
  Expert support and international connections

- **Commitment**
  10th Global Conference on Health Promotion and United Nations/WHO youth programs
Health Promotion in Pandemics
Awareness Webinars for Schools 1/2

Milestones and Deliverables for 2021

1. Building of partnerships and creation of a Partners Advisory Committee (AC)
2. Surveys (to experts/organizations + to Geneva-based schools)
3. Mapping of experts (creation of an experts’ database)
4. Creation of the most sought-after health promotion topics list
5. Production of 2 webinars (fall and winter 2021)
6. Evaluation of the project
Health Promotion in Pandemics
Awareness Webinars for Schools 2/2
Potential Partners of the Project

1. Geneva-based governmental organizations
2. Geneva-based youth organizations
3. Geneva-based high-schools
4. A4HP members
Thank You!
